THE DEEP END 'SPIRITUAL FAST FOOD'

There are many things to reflect on in today's Gospel. It is rich in symbolism and you can imagine yourself in the many different characters of the text today. The people who had gathered were hungry in every sense of the word and Jesus and the disciples are faced with a huge dilemma.

When we are faced with a huge challenge, our attitude towards it is key. Some of us are like Philip, stating the facts but unable to see a way out of the situation. Some are like Andrew, who sees the young boy with the small amount of provisions he had, yet he is unable to see how they may be of use. Sometimes we can be the people sitting, hungry, in poverty (physical or spiritual) waiting for someone to come and show us the way.

Have you ever wondered about this young boy? He handed over the little he had, perhaps confused yet hoping it would do something to help the situation they were in. It is a powerful gesture and one that reminds us that it is not the size of the gifts or the expectation of return that is important. How must he have felt when he saw the events unfold? Jesus turns these small resources into something truly amazing. Very often we can react like Andrew and not see the value in the small gestures. Jesus satisfies the deep hunger within and shows the crowd that he is someone to hope in. We must never think that our small resources and gifts are not enough to do amazing things.
