Parish of Aughaninshin Church of the Irish Martyrs

THE DEEP END • 'EPHPHATHA'

Between 1 September and 4 October (the feast of St Francis of Assisi) Christian churches celebrate the season of 'Creation Time'. It is an opportunity for us to reflect on the gift of our world and to look at our relationship with the planet. There is no better time for us as individuals and as parish communities to consider our responsibilities to act on climate change, especially in light of Pope Francis' recent encyclical *Laudato Si*.

In the Gospel today, as Jesus opens the ears of a deaf man, he says 'Ephphatha - Be Opened'. May our ears be opened to the cries of the earth and to the poor who suffer the most because of climate injustice. What a wonderful and prophetic action it would be in celebration of 'Creation Time' if each parish community committed to beginning a JPIC (Justice, Peace & Integrity of Creation) group? Or perhaps thinking ahead to the feast of St Francis, ask ourselves how can we as parish communities celebrate the gift of creation? Great things can happen when small groups of people come together and act locally. How will your parish celebrate 'Creation Time'? (For more info: <http://ecocongregationireland.com/>)

'I wish to address every person living on this planet... I urgently appeal for a new dialogue about how we are shaping the future of our planet. We need a conversation which includes everyone, since the environmental challenge we are undergoing, and its human roots, concern and affect us all'. Pope Francis, *Laudato Si*', 1, 1
